

10 SEX APPS FOR COUPLES

COUPLENESS

Learn to communicate on various issues, including intimacy, in just three minutes a day.

SPICER

Answer sex questions on your own phones, then see where you match. You can also dare each other.

DESIRE

A game where partners dare each other; completing dares earns points and unlocks new dares.

LOVER

Includes science-based exercises and private consultations with experts to improve your sex life

KINDU

You can match desires, suggest activities, vote for activities you like, and much more.

HONI

Send dares, share fantasies, learn new Kamasutra positions, and take quizzes about each other.

FEELD

For those interested in finding other open-minded people to join in the fun.

PILLOW

Find new ways to connect with guidance facilitated by marriage therapists and relationship coaches.

SEX KEEPER

Explore sex and related numbers/metrics, visualize new positions, and set sexual records together.

LOVESYNC

You press a button when you are in the mood for sex, so does your partner. If you match, you get notified.
